

## Retirees Review

### President's Message

I hope you are all looking forward to the 89<sup>th</sup> Congress this year which is followed by the Annual General Meeting. If you have never been, why don't you come along and see what it's all about? It is a wonderful morning and quite easy to get to. You will hear all about what is happening at Retirees WA, listen to Peter Kenyon our guest speaker and then a really nice morning tea. I can assure you it will be interesting so put it in your diary.

One of our focuses have been branches and we now have 18 branches in and around Perth including the country. We need to have a social life, particularly as we get older, and it is very easy for seniors to slip into being isolated especially during this pandemic. Please make sure you are not hibernating and are out there enjoying life and if you or someone you know needs help in taking the first step, give us a call and we will get one of our branches to help out.

Our new Aged Care Facility at Salter Point is coming along well. Our 18 retirement villages continue to provide a great way to live so if you are looking to downsize, give us a call and see if there is something that suits you. Lastly, if you haven't looked at our low cost affordable funeral fund that has been operating for over 80 years, I urge you to do so.

Call our office on 9362 0100. See you at the AGM. Your President, Lois Jones

Lois Jones

### Election Notice
